

GRANT THORNTON LLP
p r e s e n t s

IN ASSOCIATION WITH THE
SOUTH CAROLINA CHAMBER OF COMMERCE,
THE 30TH ANNUAL RANKING OF THE
STATE'S LARGEST PRIVATELY OWNED
COMPANIES.

This year marks the 30th edition of the Grant Thornton South Carolina 100™ (“The South Carolina 100”), the only ranking of South Carolina’s largest privately held companies. The South Carolina 100 is compiled by Grant Thornton LLP under the direction of Mark Ballew, partner-in-charge of the Columbia office, in cooperation with the South Carolina Chamber of Commerce.

Participation in the South Carolina 100 is voluntary, and companies are ranked based upon their net revenues for their most recently completed fiscal year. To qualify, companies must be privately held, headquartered in South Carolina and cannot be a subsidiary of another company. Financial institutions, insurance companies, real estate and other brokerages, health care organizations and companies primarily engaged in retail are not eligible for the South Carolina 100 listing.

The people in the independent firms of Grant Thornton International Ltd. provide personalized attention and the highest quality service to public and private clients in more than 100 countries. Grant Thornton LLP is the U.S. Member firm of Grant Thornton International Ltd, one of the six global audit, tax and advisory organizations. Grant Thornton has 56 offices in the United States and services dynamic companies in South Carolina, the United States and around the globe.

To learn more about this year’s survey, please contact Mark Ballew, partner-in-charge of Grant Thornton’s Columbia office at (803) 231-3045 or e-mail at mark.ballew@us.gt.com. Grant Thornton’s web site address is GrantThornton.com. For more information on the Grant Thornton South Carolina 100, including prior years’ rankings, go to gt.com/sc100.

The 2014 ranking of the Grant Thornton South Carolina 100 private companies includes many dynamic companies in multiple industries. While each year the ranking experiences some changes, the changes in the listings for 2014 are not as significant as those experienced over the past few years. This is evident from the changes seen below in comparable statistics between the 2014 and 2013 South Carolina 100 (\$ amounts in billions).

CATEGORY	2014 #	2014 Revenue	2014 Employees	2013 #	2013 Revenue	2013 Employees
