Once we receive and confirm your verifiable consumer request, we will delete (and direct our service providers to delete) your personal information from our records, unless an exception applies.

C. Exercising Your Rights

To exercise the access, data portability, and deletion rights described above, please submit a verifiable consumer request to us by either:

You may only make such a request for access or data portability twice within a 12-month period. The verifiable consumer request must provide sufficient information that allows us to reasonably verify you are the person about whom we collected personal information or an authorized representative, and describe your request with sufficient detail that allows us to properly understand, evaluate, and respond to it.

We cannot respond to your request or provide you with personal information if we cannot verify your identity or authority to make the request and confirm the personal information relates to you. Making a verifiable consumer request does not require you to create an account with us. We will only use personal information provided in a verifiable consumer request to verify the requestor's identity or authority to make the request.

We endeavor to respond to a verifiable consumer request within forty-five (45) days of its receipt. If we require more time (up to 90 days), we will inform you of the reason and extension period in writing. We will deliver our written response electronically. Any disclosures we provide will only cover the 12-month period preceding the verifiable consumer request's receipt. The response we provide will also explain the reasons we cannot comply with a request, if applicable. For data portability requests, we will select a format to provide your personal information that is readily useable and should allow you to transmit the information from one entity to another entity without hindrance.

We do not charge a fee to process or respond to your verifiable consumer request unless it is excessive, repetitive, or manifestly unfounded. If we determine that the request warrants a fee, we will tell you why We made that decision and provide you with a cost estimate before completing your request.
